

# Maximizing Adherence to Oral Oncolytics: A Behavioral Science Perspective

Join your colleagues for a discussion on important topics in order to:

- Gain a deeper understanding of the behavioral drivers and barriers to adherence to oral oncolytics
- Identify key strategies and resources that can be incorporated practically into the current process of care with patients

**Date:** Thursday, December 8, 2016

**Bayer Presenter:** Tim Freitas, MS, RN  
Clinical Support Specialist

**Time:** 6:00 PM

**Venue:** Le Papillon

**Contact/RSVP:** [timothy.freitas@bayer.com](mailto:timothy.freitas@bayer.com)

**Address:** 410 Saratoga Avenue,  
San Jose, CA 95129  
(408) 296-3730

Please RSVP with name, place of employment, role (RN, NP, MA, PharmD, etc.), email address, and license number.

This is a Bayer-sponsored non-CME promotional program

Certain HCPs and other individuals may be prohibited from participating in this event based on additional state laws that restrict meals and gifts. Bayer requests that you please comply with any and all laws in the state where you hold a license.

**Vermont Attendees:** If you are a Vermont-licensed HCP, you may attend a Speaker Program but must not accept a meal.

**Veterans Affairs/Executive Officers/Federal Employee Attendees:** If you are an employee of the Department of Veterans Affairs or of the federal government (even part-time), you may attend a Speaker Program but you will be responsible for your meal.

**Minnesota Attendees:** If you are a Minnesota-licensed practitioner, you may attend a Speaker Program; however, you may not accept a gift/meal.

**Bayer complies with all State, Federal and Global disclosure requirements.**
