Join us for this inspiring lecture as Susan Childress MN RN discusses the importance of self-care and explores ways that you can be more resilient during stressful times. Susan is the former Director of Nursing at Huntsman Cancer Center. She has done significant work in nurse resilience and is a champion of making it a priority in the workplace. The Mara Mogensen Flaherty Memorial Lectureship is an annual award program of the Oncology Nursing Foundation recognizing a leading voice in managing the psychosocial aspects of cancer.

We look forward to seeing you!

Warm regards,

Tracy
