*Clinical Nurse Educator***

Ipsen Biopharmaceuticals, Inc. (Ipsen) considers this program to be promotional and not Continuing Medical Education (CME). Ipsen is subject to federal and state laws, including the U.S. Physician Payments Sunshine Act (Open Payments), that require pharmaceutical companies to disclose to relevant government agencies the value of meals and other transfers of value provided to U.S. physicians and certain licensed Healthcare Professionals (HCPs). HCPs who partake in the meal provided during this program should expect Ipsen to disclose their name, the value of the meal, and any other information to relevant government agencies, which then may make the information publicly available (in accordance with applicable laws). Laws in Vermont, Minnesota and New Jersey restrict and/or limit meals to HCPs licensed in these states. If you are licensed in Vermont, Minnesota or New Jersey or work for someone who is, we request that you please not partake in the food or beverage offered. In accordance with the PhRMA Code on Interactions with Healthcare Professionals, attendance at this educational program is limited to healthcare professionals. Accordingly, attendance by guests or spouses is not permitted.
